YOUR CLUB...

GVA is owned and managed by you the members. You have a say on who runs the club (committee), how we achieve our funding and what we offer you in terms of events, competitions, coaching and training. We will be sending out a questionnaire soon looking for your feedback in all areas. Please take the time to reply - you can make a difference.

COMMITTEE ROLES TO BE ELECTED EACH YEAR

President
Chairperson
Vice-chairperson
Treasurer
Secretary
Welfare officer
Events officer
Junior representative

This year's AGM will be held on 12th September.

Those of you who have trophies from 2019, could you please return them in time for the AGM. Thank you.

WEDNESDAY SHOOTING AS OF 4TH AUGUST

We would like to offer Wednesday evening shooting again as of 4th August. We will need to have a minimum attendance of 10 people per session but ideally a minimum of 16 so as to not run at a loss. The set up and clear down rules will be relaxed in order to maximise shooting time. We will endeavour to run these sessions for the next 10 weeks providing they are viable.

SCORING SOFTWARE SEPTEMBER

GVA will be offering its members access to a new scoring software as of September. You will be able to submit your scores online to make it easier, track performance and see your personal bests, current handicaps and current classifications.

CHALLENGES

2020-2021 has provided a lot of challenges for everybody. For GVA, the lack of indoor range, a desperate need for coaches and the need for grounds which would provide greater flexibility for club members have been the committee's biggest concerns and we have been working behind the scenes to try and resolve these issues.
