

Jordano Valley Archers

Chairman's Welcome

Well here goes! Perhaps it is time we start to spread the news about our club in good old fashion print. Although I suspect we will not have enough information to fill a monthly news sheet so I will attempt to put together something every 3 months.

Not everyone reads emails or looks at the club website so hopefully this will be an additional way for members to receive updates or information on future club events.

I would like it to become a members' news sheet so would welcome items for inclusion from any club member.

If you would like to help with future news sheets we are always looking for volunteers!

Farewell & Good Luck!

Congratulations to Chris (alias Hotdog) on his forthcoming marriage to Harriet on Friday May 25th 2018. Many of you may not know Chris was one of the Founders of the Club in 2004.

Proposed Club Shirt

There has been much discussion over a number of months for the club to introduce a new shirt. Many thanks to Chris Johnson for researching this and the result is the shirt shown.

Recently members attending sessions were asked to comment on the shirt and there was an overwhelming YES.

The shirt comes all sizes and price will vary depending on size. The ceiling price for the big guys amongst is circa £30. If you would like to purchase one could you email Paul Maines with your size. We will then package a bulk order to get the best discount possible.
